To Whom It May Concern

It gives me a great pleasure to recommend **ABENEZER KIFLE SHIFERAW (ID: CS/0009/09)**, for any job in his area of studies. **ABENEZER**, has graduated in Department of Computer Science in regular program. I have known him for four year as my student in the department.

During all the period that I have known **ABENEZER**, I found him to be talented, hardworking, dedicated, passionate, and focused towards his studies as well as sociable with his classmates and friends. The positive evaluation results from his classmates, teachers, and other peers testify that he is highly respected by everybody in the institute.

Now, he is seeking for a job in his area of specialty. As Head, Department of Computer Science, I hereby judging his hitherto experience at the department, I am convinced that he will discharge any assignment given to him successfully. This is thus, to kindly acknowledge that I have no qualms to recommend **ABENEZER**, for any job in your organization related to areas of his qualification.

Should you have any questions regarding this recommendation, please do not hesitate to contact me at my contact.

Sincerely,

Daniel Tesfay

Subject: Letter of Recommendation

Mr. Abenezer Kifle pursued Bsc Degree program in Computer Science during 2017 to 2021. During this period I had an opportunity to observe him closely. I was his final project Advisor. The project was entitled Tutorial System for Ethiopian Universities. He has achieved excellent grade due to his great work.

Mr. Abenezer Kifle is soft spoken and friendly person and gets along very well with others. He actively participated in his project work confidently mind impressed many staff members at department. He is a hardworking, extremely well behaved, and attentive student.

Therefore, I am glad to recommend Mr. Abenezer Kifle, for every responsible position in line with his qualification and also I recommend him to be an asset to institutions willing to give him an opportunity and extend my recommendation is given admission into a suitable MSC/ research course: I assert that he will certainly complete the research/course and raise his knowledge and skill levels. I wish him all the success in his future endeavor.

With regards,

Birhane Bekele (MSc)

Subject: Recommendation Letter

It is a true pleasure for me to write this letter of recommendation for Abenezer Kifle favor of lecturer of Artificial Intelligence and Computer Security. I know Abenezer Kifle when he was a graduate student of Computer Science at Hawassa University. He was studying Bachelor of Science in Computer Science in the regular program. I strongly confirmed that Abenezer Kifle attended an outstanding course that provides his a strong experimental experience. I taught Artificial Intelligence and Computer Security then he scored an excellent result. Thus, he is a promising student, highly motivated, intelligent and personally delightful.

Therefore, I strongly recommend his for any opportunities that may come to his way academically or professionally.

Sincerely
